Access to Pool

Access to the swimming pool must only be made via the gate at the far end of the school car park. This entrance will be marked with a swim school sign.

The gate to access the pool area must be closed and the bolt secured after entry and exit.

Changing

There are a number of changing cubicles on poolside and 2 showers.

Toilets are OUTSIDE the main pool two meters away so it is advisable that swimmers use these before going on poolside. It is suggested that swimmers arrive at their lessons with their swimwear on under their clothing to reduce congestion prior to lessons.

It is advisable that all children use the changing rooms but children over the age of 6 must use the changing rooms when fully undressing.
